

Call for Editorial Board Team Completion

Research hub LLC, as a gateway for the publication of open-access journals, seeks the free and open transfer of the results of researchers and scientists to the community, with comprehensive attention to the observance of global methodological standards. Due to the need for continuous cooperation of professional and reputable Scholars in various fields, the journals covered by research hub LLC are looking to expand their editorial board team.

Certainly, your presence can have a significant impact on improving the manuscript's revision process and helping the chief-in-editor to choose the right them. Also, expert knowledge in your field can give a closer perspective in the future of journal direction.

In this way, the journals invitations will be officially announced to you as a member of the editorial board team:

1. Journal of Management and Accounting Studies (JMAS)

<https://journals.researchhub.org/index.php/JMAS/index>

2. Journal of Research in Science Engineering and Technology (JRSET),

<https://journals.researchhub.org/index.php/JRSET/index>

3. Journal of Social Science and Humanities Research (JSSHR)

<https://journals.researchhub.org/index.php/JSSHR/index>

Please email your CV or ORCID code to the e-mail address below.
